Whilst rooms in the main resort are offered complimentary weekly servicing, we have found our guests in our Villas prefer to be left in peace. To compensate, we leave a generous amount of complimentary spare linen (enabling guests to change their bed sheets every other day if desired) and enough towels to use a fresh one every day. However, should you prefer regular servicing of your villa this can be easily arranged in advance for an additional cost, as long as you are happy for our housekeeping staff to enter your Villa.

2 storey with stairs

**Size**

170m2 (112m2 internal, 58m2 External)

**For Young Ones**

**Variations**

Both of our villas are the same size and standard. They do differ slightly in colour scheme and in look (particularly the bathrooms). One villa has an additional spa bath where the other villa has only showers throughout. And one has a walled stairwell whereas the other is more open but with a safe hand-rail.

The photographs displayed are a composition of both Villas . Should you wish to see full photos of either, please do not hesitate to ask.
